

HEAVY EQUIPMENT RENTALS AND CONTRACTING

TRUST WHISSELL FOR...

HEAVY EQUIPMENT RENTALS AND CONTRACTING

Get access to the heavy equipment you need while Whissell handles the management and maintenance. Our rental and contracting services ensures access to over 350+ pieces of heavy equipment – including scrapers, excavators and transport trucks from brands like Volvo, Deere and Caterpillar – that are maintained to the highest standards.

Our fleet is managed by our expert mechanical staff in Calgary, Lethbridge, and Edmonton. We also operate a fleet of maintenance and fuel trucks for off-site fueling, servicing and repairing in the field. Experience our reputation for having the best-maintained fleet of heavy equipment in Alberta.

Why Whissell?

- Scale

Our ever growing fleet of over 350+ strong is always ready to serve our client's needs.

- Proactive

Proactive maintenance minimizes downtime.

- Service Capabilities

With locations in Calgary, Lethbridge and Edmonton, we are able to respond to any requests on any construction site as well as any metropolitan area.

Our expanding fleet of equipment includes:

- Scrapers
- Graders
- Compactors
- Excavators
- Dozers
- Articulated Trucks
- Specialized Equipment – 85' Long Reach Excavator
